Strong Community and Industry Partnerships Providing Authentic Learning Experiences

College & Career Readiness with Opportunities to Earn College Credits, Industry Certifications and Scholarships

Discover the endless possibilities Magnet programs offer and unlock your true potential at M-DCPS.

MAGNET SCHOOLS

Journey of Excellence

For the 14th consecutive year, M-DCPS has outshined other school districts in the country, earning the most prestigious Magnet Schools of America (MSA) Merit Awards. In 2026 alone, M-DCPS proudly received 99 awards, bringing the total MSA Awards to an impressive 809 over the past 14 years!

6
Apple™ Distinguished Schools

809
Merit Awards In 14 Years

61 Schools of Excellence 38 Schools of Distinction in 2026

350+ Magnet programs 100+ Schools

We've been further honored with the Magnet Schools of America awards for Best Theme-Based Innovation, Best New and Emerging Magnet School of Excellence, and the Top Secondary Magnet School of Excellence in 2024. Our commitment to excellence extends to leadership, with District Administrator of the Year honors in 2023 and the 2024 National Superintendent of the Year award.

Globally Recognized, Nationally Acclaimed

World-Class Curriculum

M-DCPS Magnet Schools boast a world-class curriculum offering the top-ranked Advanced Placement, Cambridge International Program and the acclaimed International Baccalaureate program. M-DCPS also holds the distinction of 60 Distinguished NAF career academies, and three model career academies, more than any other district in the country.

High Schools Among America's Best

Miami Magnet Schools comprise five of the Top 100 high schools in the country and seven of the schools in Florida's Top 20, as ranked by U.S. News & World Report.

High-Performing School District

A-rated school district for seven consecutive years.

* Auditions Required

** Language Proficiency Required (Beginning Grade 2)

*** Admission Priority is given to eligible Key Biscayne residents; and if there are any remaining seats, they will be available to other applicants. Two proofs of residency will be required by January 15th to receive the priority status and proof of continuous residency will be required throughout the enrollment period (annually). Contact school directly for specific questions.

‡ Enhanced Criteria - Courses may require a minimum 2.5 GPA in each core academic subject area, Algebra 1 Honors and/or Physical Science Honors before entering 9th grade.

miamimagnets.org

#YourBestChoice**MDCPS**

MAGNETSCHOOLS

Application Process

1. Research Programs

- Visit miamimagnets.org
- Contact individual school(s) and attend open house events and tours
- Inquire about additional requirements/eligibility criteria, required testing or auditions

2. Apply Oct. 1st — Jan. 15th

- Register and sign-in to the M-DCPS Parent Portal using your Apple or Google ID
- Click on Admissions Application tile

3. Application Instructions

- Select up to 5 schools *(Only one program per school)*.
- Active military parents or legal guardians must provide active-duty documents to be considered for military status.
- For those seeking veteran status consideration, veteran parents must provide documentation of their honorable discharge (DD-214).
- Include all siblings currently attending or applying to M-DCPS on your application, regardless of their grade level.
- Twins who are applying to the same school must indicate their twin status on each of their applications. An application must be submitted separately for each student.
- Upload school transcripts, virtual school documents or any required documentation.
- Auditions for Fine Arts programs and language proficiency testing for select International and Advanced Studies programs must be scheduled prior to application submission by January 15th.
- **ALL AUDITIONS/TESTS MUST OCCUR PRIOR TO MARCH 1ST**
- Review the application, agree to the Terms and Conditions, sign, and submit by January 15th at 11:59 p.m.

4. Random Selection

A third-party computer system is used to conduct the random selection process for Magnet programs. This system considers the specific eligibility criteria for each program, as well as application priorities and other school or district-specific selection criteria. Based on this information, the system generates waiting lists for each program, ensuring a fair and transparent process for student admission.

5. Notification Period

On **March 15TH,** parents/legal guardians will receive a notification of the Magnet application results for their child and next steps.

Understanding the Magnet School Board Policy 2370

Magnet Schools Application Process

As per School Board Policy 2370, parents interested in enrolling their child(ren) in a **Magnet School Program (MSP)** must complete the Magnet Schools application.

- Accessible exclusively through the Miami-Dade County Public Schools (M-DCPS) Parent Portal at www.dadeschools.net.
- Log in using a Google or Apple ID, regardless of whether children are currently enrolled within M-DCPS.
- Apply to up to FIVE schools with ONE Magnet Schools application.

Application Period:

As per School Board Policy 2370, Magnet Schools applications **OPEN** annually from **October 1st** through **January 15th.**

Deadline:

As per School Board Policy 2370, all applications and required documents for admission to Magnet Schools must be received by January 15th.

Agreement:

As per School Board Policy 2370, by submitting a Magnet Schools application, parents/guardians agree to the terms outlined in the Agreement of Understanding provided in the Magnet Schools application. A Magnet Schools application **DOES NOT** guarantee placement.

Random Selection Process:

As per School Board Policy 2370, once eligibility criteria are met and applications are submitted, admission into MSPs is based on space availability through a random selection process.

If a child is eligible to attend a District school or is in a grade served by a Magnet School Program (MSP), they may apply to an MSP. Admission to MSPs is based on different factors such as talents, grades, conduct, effort, language abilities, and interests.

Application Priorities and Benefits:

As per School Board Policy 2370, admission priorities and benefits are assigned to applicants in the following order:

1. F.S. 1003.05 - Assistance to transitioning students from military families

Dependent children of active-duty military personnel receive priority admission. Families will need to provide active military orders at the time of application.

2. 20 U.S.C. 7231 & 34 CFR Part 280 - Minority Group Isolation

For certain Magnet programs, admission priority is given to certain applicants based on specific criteria that ensure socio-economic diversity, integration, and inclusivity in our learning environments.

3. 5 U.S. Code § 2108 - Veteran; disabled veteran; preference eligible

Priority is given to children of veterans. To qualify, Veteran families will need to provide discharge papers (DD-214) showing service dates and an honorable discharge.
If a parent has a service-connected disability, they will also need a letter from the Department of Veterans Affairs.

4. Sibling/Multiple-Birth

Priority is given to applicants with siblings attending the same MSP. Sibling priority does not apply to programs that require auditions or language proficiency tests.

Sibling Attending: Priority is provided during the initial lottery for applicants with siblings already attending the same MSP.To be considered for Sibling Attending status, families must provide the correct District Student Identification Number for sibling(s).

Sibling Applying: Priority is granted once one of the siblings accepts an offer, provided that both siblings applied to the same school/program. For this priority, both siblings must reside at the same address, and the same registering parent must complete the application for both students under the same guardian account.

Multiples: Parents can choose to link the application results for multiples. If one twin or multiple is selected, the other(s) will receive priority at the time the first student is offered a seat. An application must be submitted separately for each student.

5. Memorandum of Understanding (MOU)

Priority admission may be granted based on agreements with municipalities and/or organizations, contingent upon space availability and specific criteria.

Employee Benefit

Five percent of seats are reserved at each MSP for children of M-DCPS employees, excluding any audition-based Fine Arts Magnet programs.

Notification

As per School Board Policy 2370, initial application outcomes will be communicated by the Office of Innovation and Advancement on March 15th, following the format chosen by the applicant (email or text message).

Acceptance

As per School Board Policy 2370, parents must accept or decline admission offers by the specified deadline. Failure to respond forfeits all acceptance offers.

Second Opportunity to Apply to Magnet Schools

Applications may reopen for programs with available capacity through the Magnet application on March 16th. Available seats are filled with eligible applications on a first-come, first-served basis.
