MAGNETSCHOOLS OFFICIAL APPLICATION FOR THE 2018-2019 SCHOOL YEAR

DEADLINE: MUST BE RECEIVED BY JANUARY 15, 2018

PLEASE READ DIRECTIONS CAREFULLY

- Parents may apply online or directly to the School Choice & Parental Options address below using the official Magnet Application Form. Only one (1) application per student will be accepted. Duplicates or revisions WILL NOT be accepted.
- Please complete all required areas. Failure to sign and/or complete all sections may result in the application not being processed.
- **All applications will be processed ONLY at the office of School Choice & Parental Options.** Please send your applications directly to the office to the address listed below. Students may apply to a maximum of five (5) schools (one (1) PROGRAM per school). If more than five (5) selections are made, we will process only five (5) and reserve the right to make this application void.
- Any required transcripts or other documentation required by individual schools may be uploaded with the online application or sent directly to the attention of the Magnet Lead Teacher at the individual school where you are applying.
- Individual schools may require additional documentation. You must contact the individual schools to which you are applying. All required documentation must be uploaded with the online application or sent directly to the school(s) to which you are applying by the application deadline.
- In order to be considered for Sibling Status, you must provide the correct Miami-Dade County Public Schools Student Identification Number for both the applicant and applicant's sibling(s). Preference is given to eligible applicants with siblings currently attending and who will be in attendance at the same magnet school during the school year for which you are applying. Siblings will be accepted based upon the availability of open seats in the grade level for which the student is applying. Sibling preference does not apply to students applying for Visual & Performing Arts programs. The sibling must reside in the same household as the student who is applying, or documentation of joint custody must be provided. Current policy provides for sibling preference to younger siblings applying where older siblings currently attend. However, this policy is under review and might change to include ALL siblings for consideration. Please complete, at this time, the sibling request information for all siblings.
- If your child does not already have a Miami-Dade County Public Schools Student Identification Number, you should write "NO ID" on the application in the area labeled M-DCPS Student ID Number. Applications may also be submitted online for students who have not been issued a M-DCPS Student ID Number.
- All notifications from schools will be sent to the email address listed on the application. It is the responsibility of the parent/guardian to ensure that email address and all contact information are current within the M-DCPS system.
- For questions, contact School Choice & Parental Options at 305-995-1922 or visit www.miamimagnets.org
