MAGNET SCHOOLS

Application Process

1 Research Programs

- Visit miamimagnets.org
- Contact individual school(s)
- Attend school open house events and tours
- Explore school materials, brochures, websites, etc.
- Inquire about additional requirements/eligibility criteria, required testing or auditions

2 Apply

OCT. 1ST — JAN. 15TH

- Access the M-DCPS Parent Portal
- Sign in using your Apple or Google ID
- Click on Magnet Application
- Verify/Enter Student Information
- Verify/Enter parent/legal guardian information
- Upload school transcripts, virtual school documents or any required documentation

3 Application Instructions

- Select up to 5 schools (*Only one program per school*).
- Active military parents or legal guardians must provide active-duty documents to be considered for military status.
- For those seeking veteran status consideration, veteran parents must provide documentation of their honorable discharge.
- **SIBLINGS:** When applying to a school where an older sibling is already attending, enter the older sibling's information in the application (*except for Visual & Performing Arts programs and select International programs, where this doesn't apply*).
- **SIBLINGS:** Twins who are applying to the same school must indicate their twin status on each of their applications. An application must be submitted separately for each student.
- Auditions for Visual & Performing Arts programs and language proficiency testing for select International programs must be scheduled prior to application submission by January 15TH.
- **ALL AUDITIONS/TESTS MUST OCCUR PRIOR TO MARCH 1ST**
- Review the application, agree to the Terms and Conditions, sign, and submit by January 15TH at 11:59p.m.

4 Random Selection

A third-party computer system is used to conduct the random selection process for Magnet programs. This system considers the specific eligibility criteria for each program, as well as factors like sibling pairings and other school or district-specific selection criteria. Based on this information, the system generates waiting lists for each program, ensuring a fair and transparent process for student admission.

5 Notification Period

On **March 15TH**, parents/legal guardians will receive an email with the placement results for their child.

IF ACCEPTED: Please log back into the Magnet application system to confirm acceptance of the chosen school. Afterward, contact the school directly to complete the registration/enrollment process. Keep in mind that once a school/program is selected, all other offers of acceptance to different schools will be declined. The student will remain on the waitlist for any schools they are currently waitlisted for. To secure the seat, parents/legal guardians must accept the offer by the deadline, within 2 weeks, after March 15TH. If the acceptance is not confirmed by the deadline, the seat will be forfeited, and it will be offered to the next student on the waiting list.

IF WAIT-LISTED: Students will be considered for selection from the random selection wait list as seats become available. If your child's status changes from Wait-Listed to Accepted, you may switch the acceptance to the preferred program. Please note that school wait lists may change until the beginning of the following school year.

IF NOT ACCEPTED: The student did not meet the entrance requirements, did not pass the audition, or didn't take/pass the proficiency test. Any inquiries or appeals regarding non-acceptance should be directed to the individual school(s) directly.

NO SHOW (NOT ACCEPTED) NOTE: This applies ONLY to Visual & Performing Arts or select International program students who did not schedule, attend an audition, or take the language proficiency assessment.

6 Declaration of Program

Parents/legal guardians must declare their program acceptance by the specified deadline date through the online Magnet Application system.

Parents/legal guardians may change acceptance to another program only if their child's status changes from "Wait Listed" to "Accepted".

7 School Registration

Submit Declaration of Acceptance.
Register with the selected school.

Application Checklist

- ☐ Visit **MIAMIMAGNETS.ORG** and research Magnet programs
- ☐ Check for specific program eligibility requirements
- ☐ Visit schools and take school tours
- ☐ Visit **MIAMIMAGNETS.ORG** to access the M-DCPS Parent Portal. Click on Magnet Application
- ☐ Enter/Complete and verify information on the Magnet application
- ☐ Upload the required documentation to the Magnet application
- ☐ Check application for completion, including verification of student and parent information, sibling status (*if applicable*), uploaded accurate transcripts, uploaded virtual school documentation (*if applicable*), uploaded documentation specific to each selected program requirements (*if applicable*)
- ☐ Schedule an audition or testing appointment (*for Visual and Performing Arts, and International Language programs only*)
- ☐ Submit the completed Magnet application by the January 15TH deadline
- ☐ Attend scheduled audition or testing appointments (*if applicable*)
- ☐ Log into the Magnet application system via the Parent Portal on March 15TH to view lottery results
- ☐ Log in to the Magnet application system to accept a seat to your preferred program by the acceptance deadline
- ☐ Go to the selected school by the acceptance deadline to sign the 'Declaration of Acceptance' and complete the registration/enrollment process
- ☐ Check the accepted school website for tours, open houses, and possible student orientation meetings
- ☐ Check with the school for any additional requirements and/or deadline dates

92% GRADUATION RATE

Journey of Excellence

For the eleventh consecutive year, M-DCPS has outshined all other school districts in the country, earning the most prestigious Magnet Schools of America (MSA) Merit Awards. In 2023 alone, M-DCPS proudly received 81 awards, bringing the total MSA Awards to an impressive 529 over the past 11 years!

Stellar Cambridge Recognition

M-DCPS received the prestigious 2018 Cambridge "District of the Year" Award from Cambridge International for its unwavering commitment to making Cambridge education accessible and providing a top-notch global learning experience for students.

CAMBRIDGE
International Examinations

Nationally-Recognized NAF Academies

M-DCPS leads the nation with a total of 45 Distinguished NAF career academies, more than any other district in the country.

Rated School District

A-rated school district for three consecutive years.

Certified National Magnet Schools

M-DCPS is the only school district in the nation with 35 Certified National Magnet Schools. Additionally, 22 of these schools are recognized at the top level and awarded the highest certification category – Certified National Demonstration Magnet School.

High Schools Among America's Best

Miami Magnet Schools comprise three of the Top 100 high schools in the country and eight of the schools in Florida's Top 20, as ranked by U.S. News & World Report.

Seven M-DCPS Magnet Schools also made the Stacker Top 30 Best Public High Schools in Florida.

International Baccalaureate Diplomas

The percentage of IB examinations receiving passing scores is consistently at or above the 80th percentile and the total percentage of students receiving the prestigious IB diploma is consistently above the 70th percentile.

Recipient of the Donna Grady-Creer Award

The Nation's most Prestigious Award for District Magnet Achievement.

A Legacy of School Choice

Miami-Dade County Public Schools (M-DCPS) prides itself on being at the forefront of educational innovation and progress. For the past 50 years, M-DCPS has provided high-quality education that inspires, challenges, and prepares students for success in an ever-changing world through MAGNET SCHOOLS. Today, M-DCPS continues to empower students to unleash their potential and pursue their dreams, offering parents and students the option to choose from hundreds of Magnet programs in over 100 public schools throughout Miami-Dade County.

What are Magnet Schools?

MAGNET SCHOOLS OFFER UNIQUE PUBLIC SCHOOL PROGRAMS DESIGNED TO CATER TO STUDENTS' SPECIAL INTERESTS, TALENTS, AND ABILITIES **AT EVERY GRADE LEVEL.**

Why Choose Us?

- High-quality, innovative education options for grades Pre-K through 12 that spark curiosity and engagement by focusing on children's interests and abilities.
- Innovative curriculum designed to prepare students for higher education and career success.
- Community and industry partnerships that create authentic educational environments and experiences.
- More National Magnet Merit Awards from Magnet Schools of America (MSA) than any other school district in the country.
- Students may receive college credit, industry certifications, hands-on learning experiences through Project Based Learning (PBL), and access to scholarship opportunities for post-secondary education.

Discover the endless possibilities Magnet programs offer to unlock your true potential at M-DCPS.

Learn more about your choices: miamimagnets.org

M-DCPS believes in providing students with exceptional educational opportunities that extend beyond borders. The International Magnet Programs offer a world of possibilities, allowing students to meet national and international diploma requirements while becoming globally competent and ready for future success.

The International Education (IE) program focuses on language acquisition and cultural integration. Students gain exposure to cultural norms from countries with similar linguistic origins, fostering a deep understanding of diverse perspectives.

PROGRAMS OFFERED:

French - German - Italian - Spanish

The International Language (IL) Program is an extended school day program that immerses students in a multicultural curriculum with a strong focus on language learning. Students engage in challenging, dual language instruction, gaining a deep understanding of language patterns and concepts through hands-on experiences and project-based activities.

PROGRAMS OFFERED:

French - Spanish

The International Studies (IS) Program promotes a rigorous international academic experience in collaboration with the Ministries of Education of foreign countries like France, Germany, Italy and Spain. In this program, students are immersed in a modern language for at least twelve hours a week as they learn core subjects in that second language and earn a dual diploma upon graduation from the partnering country. A language proficiency test is required beginning in grade 2.

PROGRAMS OFFERED:

French - German* - Italian* - Spanish**

Learn more about your choices: miamimagnets.org

The Global Focus Program engages students in an interdisciplinary approach, studying language, literature, history, people, and the arts to develop an understanding of intercultural relations. The program fosters communicative competency and essential interpersonal/intercultural skills.

PROGRAMS OFFERED:

French - Haitian Creole - Spanish

ADVANCED ACADEMICS – INTERNATIONAL PROGRAMS

The International Baccalaureate (IB) Program, governed by the International Baccalaureate Organization in Switzerland, offers a balanced and rigorous international curriculum from grades K-12. Students participating in the IB program can earn up to 30 college credit hours at no cost. The IB diploma is internationally recognized, and students graduating with an IB diploma and 100 hours of community service automatically receive the Florida Academic Scholarships Award from the Florida Bright Futures Scholarship Program. A language proficiency test is required beginning in 2nd grade for some IB/International Studies programs.

PROGRAMS OFFERED:

French - German - Italian - Spanish

*IB/International Studies – Spanish**

*IB/International Studies – Portuguese**

The Cambridge International Education (CIE) Program, designed and implemented in partnership with the esteemed University of Cambridge, offers an engaging and accelerated academic experience, challenging students to excel in English, Language Arts, Mathematics, and Science. Students participating in the CIE program can earn up to 30 college credit hours at no cost. Students graduating with a CIE diploma and 100 hours of community service automatically receive the Florida Academic Scholarships Award from the Florida Bright Futures Scholarship Program.

The AP Capstone Program, designed and monitored by College Board, is an innovative program that prepares high-achieving students for college success. It equips them with essential skills like independent research, collaborative teamwork, and effective communication, highly valued by colleges and employers worldwide. Students enrolled in the AP Capstone program may earn college credit and/or the opportunity to place out of entry-level college classes based on their AP exam score(s).

**Language Proficiency Test Required*

Virtual Learning

Miami-Dade Online (MDO) Academy is M-DCPS' virtual Magnet School option and fully accredited virtual learning program for K-12 students. With certified educators and a student-centered approach, MDO provides a flexible and interactive learning environment for students, fosters critical thinking through a high-quality curriculum, and empowers independent learners.

Flexibility: Students can tailor their learning experience to their own pace and schedule, making it easier to balance academic commitments with other responsibilities.

Personalized Learning: Students can benefit from personalized learning plans and resources catering to their individual learning styles and needs.

Enhanced Technology Skills: Students gain proficiency in online tools and technologies, essential skills for the digital age, and future career opportunities.

Diverse Learning Environment: Students can connect with peers across the district, fostering a diverse and enriching learning environment promoting cross-cultural understanding.

Preparation for the Future: Equips students with digital literacy and self-discipline skills that are increasingly important for success in higher education and the modern workforce.

How to apply to Magnet Schools

Applying to Magnet programs is easy and convenient, as applications are now exclusively accepted online via the M-DCPS Parent Portal. Visit MIAMIMAGNETS.ORG to access the Magnet application via the Parent Portal. The deadline for applications is January 15TH.

IMPORTANT DATES

APPLICATION PERIOD:

OCTOBER 1ST - JANUARY 15TH

Applications received during this period are considered for the following school year.

APPLICATION DEADLINE: JANUARY 15TH

NOTIFICATION PERIOD: MARCH 15TH

OFF-CYCLE APPLICATION PERIOD:

APRIL 15TH – DECEMBER 31ST

Applications received through the off-cycle period are processed only if seats are available in a selected program.

ELIGIBILITY

Application to Magnet programs/schools is open to all interested school-aged children. Generally, participation in Magnet programs is based on the student's interest in one or more of the five themes of study. Each Magnet program may have additional requirements as part of the application process. Parents are responsible for contacting the school for additional requirements that are school/program specific and submitting all required documentation by January 15TH. Auditions for Visual & Performing Arts programs and language proficiency testing for select International programs must be scheduled by January 15TH.

SCHOOL BOARD POLICY:

2370, Magnet Programs/Schools

Frequently Asked Questions

WHY SHOULD MY CHILD ATTEND A MAGNET PROGRAM?

Through specialized high-interest programs, Magnet programs offer an enhanced educational opportunity for interested students in grades PK – 12. Different Magnet themes provide a wide range of educational options designed to meet a variety of student interests. Magnet programs aim to provide an excellent educational opportunity for students through a stimulating and motivating interactive curriculum and to facilitate multicultural collaboration and cooperation.

THE MAGNET SCHOOL OF MY CHOICE IS MY ASSIGNED NEIGHBORHOOD (ATTENDANCE BOUNDARY) SCHOOL. DO I HAVE TO APPLY?

Yes. All Magnet programs require all students to apply for placement. Magnet programs/schools do not adhere to boundary restrictions.

ONCE MY CHILD IS IN A MAGNET SCHOOL, DO I HAVE TO APPLY EACH YEAR? Students who are currently enrolled in a Magnet school do not have to re-apply unless they want to change schools or programs.

WHAT IS THE DIFFERENCE BETWEEN MAGNET AND CHOICE PROGRAMS?

Magnet programs provide exceptional educational opportunities with specialized programs that cater to student interests, talents, and abilities. They are open to all students without being restricted by school boundaries. To apply for a Magnet program, students must complete the application process, which is open from October 1st to January 15TH. Choice programs are primarily designed for students who are assigned to the school site boundary. These students are given priority for placement. Once boundary students have been accommodated, any remaining available seats are then offered to out-of-boundary students through the Region transfer process.

IS IT POSSIBLE FOR MY CHILD TO TRANSFER FROM ONE MAGNET PROGRAM TO ANOTHER MAGNET PROGRAM?

Transfers between Magnet programs are not automatic; they require a new application and selection process. Students wishing to change Magnet programs or schools must re-apply, qualify, and be offered placement.

ARE STUDENTS SELECTED ON FIRST-COME, FIRST-SERVED BASIS?

Students are not selected on a first-come, first-served basis. The selection process is done through a computerized random selection process that takes place after the application deadline period. However, it is important to note that Visual and Performing Arts programs and selected international language programs have different requirements, as they do require an audition or a language proficiency assessment.

WHAT IS A DEFINITION OF A SIBLING? A sibling is defined as a biological, adopted, foster, half, or step brother/sister who shares the same parent/legal guardian and resides at the same address as a student currently attending the Magnet School to which you are applying. The sibling must also plan to continue attending the same Magnet School for the upcoming school year.

HOW ARE STUDENTS SELECTED FOR A MAGNET PROGRAM?

To be considered for a Magnet program, students need to complete and submit a Magnet application. If the number of eligible applications exceeds the available seats in a particular Magnet program, the school uses a computerized random selection process (*lottery*) for student admission. Students who meet the eligibility criteria and submit their

applications by the deadline will be eligible to participate in the random selection process.

IS TRANSPORTATION PROVIDED TO MAGNET PROGRAMS?

In accordance with School Board policy, transportation services available to students vary by each child's eligibility and need for those services. Speak with your school's Magnet Lead Teacher or Magnet Secretary if you have questions about the available options at each school or to determine if your child is eligible for District-provided bus transportation. To explore additional transportation options, visit yourchoicemiami.org.

HOW MANY MAGNET PROGRAMS CAN MY CHILD APPLY TO?

Each child is encouraged to apply to up to five Magnet programs at five different schools. Each child may only apply to one Magnet program per school.

HOW DO I KNOW MY CHILD'S APPLICATION WAS RECEIVED BY SCHOOL CHOICE & PARENTAL OPTIONS?

You will receive an email verification once you submit your child's application online. This email will confirm that the application has been received by the Office of School Choice & Parental Options and serves as a confirmation that your child's application has been successfully submitted.

ARE CHANGES ALLOWED ON THE APPLICATION ONCE IT IS SUBMITTED? Yes, however, no changes will be allowed after January 15TH.

WHAT IS THE EXIT PROCEDURE FROM A MAGNET PROGRAM?

INVOLUNTARY EXIT: If a student is not making sufficient progress or fails to meet the requirements outlined in the Magnet Enrollment Agreement during any quarter of the school year, the following steps will be followed:

- 1) PARENT NOTIFICATION** - The parent/legal guardian will be informed about the insufficient progress or failure to meet requirements.
- 2) PROBATION CONFERENCE** - Students not meeting requirements will have a conference with the parent/legal guardian and designated school staff, as assigned by the principal, to support and assist the student. The student will be placed on probation at this time.
- 3) EXIT FROM PROGRAM** - If the student does not meet the criteria outlined in the Magnet Enrollment Agreement by the end of the school year, they will be exited from the Magnet program.

Once a student is withdrawn due to failure to meet agreement requirements, they cannot be re-enrolled in the Magnet program during the same school year. All withdrawals are considered final and binding. The student can reapply for the following school year during the application period, except for cases involving Levels III, IV, or V Code of Student Conduct Violations.

VOLUNTARY EXIT: Students can withdraw from a Magnet program at any time. If a student decides to withdraw, they will be placed in their boundary school unless another Florida Department of Education (FDOE) approved education option is chosen. Reentry to the Magnet program is not guaranteed, and the student will need to resubmit an application if they wish to return in the future.
